

## *Christmas Holiday Update*

Dear Residents/Families/Friends,

With Christmas and New Year's Eve around the corner, we would like to send you and your loved ones the warmest of holiday wishes. We know how difficult it is to celebrate this time of year without the same traditions we have all grown accustomed to, but with the COVID-19 vaccine becoming a reality in the very near future, we are more hopeful than ever that 2021 will bring happier and safer times for everyone.

As always, we are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with wonderful holidays. Our Christmas meal will be Pineapple Glazed Ham, Sweet Potato Casserole, Bread Stuffing, Buttered Corn, Rolls and Pumpkin Pie.

Our visitation protocols remain the same. Those wishing to connect with their loved one during the holiday may call Megan Donley our Activity Director at 775-683-4214 to arrange zoom or other social media connections.

This holiday letter is our weekly update regarding the status of COVID-19 in our facility and notification that we received confirmation since last week that two staff tested positive for COVID-19, which brings our total number of confirmed cases to 7 (1 resident and 6 staff members). The positive resident was discharged to another SNF with no further complications. Four staff members have returned and 2 others will return within CDC expected times frames. We continue to test as per CDC guidelines.

Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Sierra Ridge Health & Wellness Suites, I wish you a happy and safe Christmas.

Sincerely,

*Aaron D. Rance*

Administrator
