

WEEKLY UPDATE

June 26, 2020

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Sierra Ridge Health and Wellness Suites has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working is very hard to make sure they are safe, we also want to make sure they are having some fun! Our residents are enjoying in room activities such as: Arts and Crafts, Bingo, Trivia, Cranium Crunch and Bingo! Popcorn is always a fan favorite and seated exercises are the preference for a majority of our residents!

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 775-683-4200.

Sincerely,

Anthony Alexander
Administrator
